

**FOI 1516 181**

**Summary Issue: Telehealth**

**This information relates to Bristol Clinical Commissioning Group**

<b>Question</b>	<b>Response</b>
<p>I would like to request a list under the freedom of information act of all telemedicine, telehealth and telecare initial pilots commissioned by your CCG, between 2010-2014.</p> <p>For each item on the list, I would be very grateful if you could include:</p> <ul style="list-style-type: none"><li>• The amount spent on the initial trial</li><li>• The type of technology that was used</li><li>• The supplier of the technology</li><li>• Whether the pilot was deemed a success</li><li>• Whether the technology was subsequently used in a wider rollout than the pilot</li><li>• If the pilot led to a wider roll out, what was the cost of this rollout</li></ul>	<p>I can confirm that Bristol CCG has not commissioned any pilots for telemedicine, telehealth and telecare.</p>

The information provided in this response is accurate as of 2<sup>nd</sup> November 2015.
