Summary Issue: Employed Orthotists

This information relates to Bristol Clinical Commissioning Group

Question	Response
The number of Prosthetists and Orthotists directly employed by NHS Bristol from 2005 - 2015. We would prefer if these numbers could be broken down into the number of Prosthetists and the number of Orthotists and region of employment if at all possible.	Bristol CCG was established 1 st April 2013 and has never directly employed any.

The information provided in this response is accurate as of 12th January 2016
